Mayor Marilyn Hatley Proclaims May 21 as Coast Guard Auxiliary Day in North Myrtle Beach

Mayor Marilyn Hatley has proclaimed May 21, 2011 as Coast Guard Auxiliary Day in North Myrtle Beach.

The United States Coast Guard Auxiliary was formed by an Act of Congress on June 23, 1939 with the express purpose of supporting the United States Coast Guard and recreational boating safety. At that time, these volunteers were known as the Coast Guard Reserve and spent many hours patrolling and protecting the shores and coastlines of America.

The United States Coast Guard Auxiliary has been in continuous service for 60 years and includes more than 34,000 volunteer members.
